

## 2021-2022 Covid-19 Testing Schedule and Protocols for MMBOA

### Faculty and staff

All MMBOA employees will be tested monthly on-campus during the first full school week of each month.

### Student Testing (all preschool and elementary students)

Parents and caregivers will follow the monthly testing schedule for their child(ren).

With regards to the testing requirement, here are the approved options:

1. A PCR or rapid test performed at a Covid-19 testing center.
2. An FDA approved at home test such as Abbott's BinaxNow test or Quidel's QuickVu. If using the at home test kit, parents need to make sure that confirmation of the test result can be sent.

Student Covid-19 tests should be taken during the testing window of Saturday (prior to your child's assigned week) through Wednesday of that week. All results must be sent to our covid-19 communication email [covid@mmboa.org](mailto:covid@mmboa.org) as soon as they are received and no later than Thursday of your child's assigned week.

### Student Testing Schedule September - November:

#### September:

- **ALL preschool and elementary students will be required to have a Covid-19 test that is performed no earlier than Wednesday, September 1<sup>st</sup> and provide a copy of the negative test result to the school prior to returning to campus on Wednesday, September 8<sup>th</sup>.**
- **Test results should be emailed to [covid@mmboa.org](mailto:covid@mmboa.org) prior to the start of school, 9/8.**

#### October:

Week 1: All students whose last name begins A-F	(testing window 10/2 – 10/6)
